

About Us

Valley Supply has been serving the concrete industry for over 30 years.

Valley Supply is a distributor of concrete accessories and restoration materials. We provide construction solutions for the Pennsylvania and Maryland regions. Our main goal as a distributor is to meet our customers ever-changing needs and provide them with top quality products.

Our people are the reason for our success. Whether you're dealing with our customer service reps or our seasoned account executives, their product knowledge and friendly, good-natured personality will help you make the right product choice and have fun doing it. And, with such a large variety of products in the Concrete industry, you need a trusted partner who can help you make smart choices. Our seasoned salespeople not only have great product knowledge, but they also know about the application of our products. They can help you choose the right product for the right job.
